# **‘Dream Car’ Owner Yogesh Thanks VWD**

UK Motoring enthusiast Yogesh Jethani (pictured above outside his home) is ‘over the moon’ after buying his ‘dream car’ with the help of Virtual World Direct.

‘I’ve been a VWD member for more than a year, he points out, ‘and, as well as being very financially rewarding, the business gives me the confidence of realizing that absolutely anything in life is possible.

‘I now have a group of 600 people and that achievement has enabled me to buy my dream car and pay the mortgage on a brand new home.

‘This is truly the most amazing opportunity to generate a passive income and play the UK National Lotto and EuroMillions the clever way.

I extend a big THANK YOU to VWD.

In my 8 years of searching for a way to supplement my income, Virtual World Direct has proved to be the most exciting and unique opportunity. From the moment I joined, I knew this was something special. Weekly wins keep happening and I'm also getting paid for introducing others to the e-Lottery system. Now I'm now earning the equivalent of a good full-time income. Customer service is first class and the literature and website are fantastic . It's truly amazing that this is all happening for **only 5.00 a week!**"

### Colin Mitchell , England, UK

Within three months of playing the e-Lottery system I had four Lottery wins and **£2,846.95** deposited into my Virtual World Direct account. It's not just about winning big but winning regularly.

### Dan Valter, Canada

I joined Virtual World Direct at the end of 2002 and since then I've been a winner dozens of times and seen my business grow between 9 and 20% every month. Now my commissions add up to more than an average employee makes in salaries.

The VWD programme is simple, completely global and FUN. The websites and the functionality work Brilliantly. The concept is unique and without competition and the management (Tom and Len) are wise and considerate and on top of significant growth. I am looking forward to many years of prosperity, enjoyment and co-operation with VWD.

### Maureen Bell, England

Since joining the e-lottery multi win syndicate system – with which £5 entered me into BOTH the Wednesday and Saturday draw – I have won an amazing 12 times. My partner has won 4 times and my two cousins in Australia won **£245 after being in only 10 days**. Now because of the amazing rewards system we are all entered into the Wednesday and Saturday draw FREE of charge. This really is a business for EVERYONE! Most people play the lottery – why not join a system that gives them **88 lines a week that COSTS £5 instead of £88** and a **guaranteed WINNING number**.
